BAGS

2016

SAILORBAGS.COM/WHOLESALE

What makes a SailorBag™?

SailorBags are made of genuine sailcloth—just like the material that graces the masts of schooners and sloops—but without the stiff coatings found on working sails. We add the finest parts and trim, and combine it all with uncompromising craftsmanship to make bags with beautiful looks and enduring quality.

BEAUTIFULLY TOUGH ON THE OUTSIDE

Our signature sailcloth looks and feels great, yet it stands up to the elements and is tough as nails.

WHAT'S INSIDE COUNTS

SailorBags are lined with our Silver Spinnaker™ ripstop fabric. Tough and water-resistant to protect what's inside, yet soft and lightweight to be "user-friendly."

THE LITTLE THINGS MATTER

A lot. That's why we use the best hardware, including top-of-the-line, marine-finish YKK® zippers.

REAL-DEAL DETAILS

Every bag features our trademark zigzag top stitching, just like the sail makers use.

CARRY WITH CONFIDENCE

SailorBags straps are made of super-tough webbing, with reinforced stitching at all load-bearing points.

(Materials and features vary by product)

UNIVERSAL APPEAL

Unlike trends that come and go, nautical design never goes out of style; it's simple, clean, and classic. And you don't have to live by the shore to love this timeless look — SailorBags customers and fans hail from all over the country and around the world.

OPTIONAL PERSONALIZATION

Offer your customers truly "localized" bags with our custom embroidery service. Get creative with a map outline of your special part of the world, or an icon that represents the destination. Also perfect for wedding parties, clubs and events.

LIFETIME GUARANTEE

We are so confident in the quality of everything we make that we back it up with a no-hassle, unconditional warranty: If you or your customer ever encounter a defect in SailorBags' materials or workmanship, just contact us and we'll make it right.

THERE'S A SAILORBAG FOR EVERYONE

Despite their maritime heritage, SailorBags are definitely not just for sailors. Of course we have great bags for boaters, but within our different collections, you'll find so much more: bags and accessories for travelers, students, fitness fanatics, home decorators, golfers, wine lovers, techies, and pretty much anyone else who has stuff to carry.
